This is the final newsletter for 2009 and I wish to take this opportunity to thank everyone for their support and help during the past year and also for the past 3 years. Weather has cancelled our December tournament and also our election of officers. The Association will try to have a tournament on January 17<sup>th</sup> at 10:00 a.m. with an Association meeting held after the tournament is over. Election of officers will be held at this meeting. If the tournament is cancelled due to weather, the Association will have to make other plans for the meeting.
